www.tinroofacd.com

Tin Roof Australian Cattle Dogs does not discriminate on the basis of race, color, religion (creed), gender, gender expression, age, national origin (ancestry), disability, marital status, sexual orientation, or military status, in any of its activities or operations. However, we do reserve the right to deny you purchase of one of our cattle dogs, products and/or services.

The purpose of this questionnaire is to obtain information on you and your family to match you with the puppy that will best suit your desires and needs. My intent is to place my puppies in their new homes forever. If you are a veteran herding/working dog competitor please let me know prior to going through the questionnaire.

First, we would like to thank you for choosing Tin Roof ACDs and congratulations on your decision to invest in a purebred Australian Cattle Dog (ACD)! In our breeding program, the required (and most recommended) health testing has been done on the parents of our puppies. In attempt to provide our customers with dogs that will have the best possibility of living the longest and most healthy lives. We carefully analyze the genetics of pedigrees and any past offspring of each potential parent prior to breeding. We pride ourselves on matching pairs that will complement each other to better the offspring and the ACD breed. The genetics are very important! Healthy dogs make happy families. I hope to be able to match you with your next family member.

There are no right or wrong answers, and I will go through the applications within 2-3 days of submission. The applications will be kept in order of receipt to determine the order of puppy placement per litter. I tried to make this as painless as possible to obtain pertinent information to match you with the best pup for you! It will be worth it, I promise!

Thank you again for choosing Tin Roof Australian Cattle Dogs. We look forward to making you an addition to our ACD (Australian Cattle Dog) family.

Once you complete our Puppy Application you can email it back to tinroofacd@gmail.com as an attachment or copy and paste it in the email message. Please do not hesitate to contact us with any questions or to check on the status of your application.
